

“Buy Down” Benefit

Twin Falls County has purchased a \$3,000/individual and \$6,000/family deductible plan from Blue Cross. However, the County provides a lower deductible limit and provides a \$500/individual and \$1,000 family "buy-down" benefit to its employees. The county will reimburse the employee 80% after you reach the deductible provided by the buy-down. Employees must submit their Explanation of Benefits (EOB) form(s) to Payroll for reimbursement
