

Twin Falls, Idaho
REGULAR MARCH MEETING
March 3, 2008, 8:00 a.m.

The Board of County Commissioners reconvened at 8:00 a.m. in regular session, pursuant to the recess of 29 February. Present: Commissioner Tom Mikesell, Commissioner Terry Kramer, Commissioner George Urie, and Clerk Kristina Glascock. The following proceedings were held to wit:

In the Matter of CONSENT CALENDAR

Items include: status reports, tax cancellation request by Assessor

Commissioner Kramer motioned to accept the status sheets as presented for Parks and Waterways secretary and Safe House Juvenile Careworker. Second Commissioner Urie. Motion passed.

Commissioner Urie motioned to approve the tax cancellation on parcel RPT08S14E301240 for \$603.10. Second Commissioner Kramer. Discussion. Commissioner Urie this was a data entry error. Motion passed.

In the Matter of LAND USE

Commissioners considered a final plat for Rock Creek Heights Subdivision.

Commissioner Urie the question I have is they are putting in two fire systems and two fire hydrants. How does the water get to the hydrant? Rick Dunn, Planning and Zoning Administrator, these are dry hydrants until they turn them on and then there are pumps that pull the water to the hydrant. They are also talking about a fire well. Their trucks are equipped with pumping systems that actually pump the water from systems and to the hydrant. If they use a fire well there will be actually a pump system with its own power. Commissioner Urie my concern is if they default what do we go in and build and would their credit money cover it. Mr. Dunn the cheapest one. We would actually build off of what they are approved for.

Commissioner Urie motioned to approve the final plat for Rock Creek Heights. Second Commissioner Kramer. Motion passed.

In the Matter of FEES

Commissioners considered a Resolution adopting building permit values.

Rick Dunn, Planning and Zoning Administrator, this is actually updating our valuation system to be more in line with the building codes. If you are a developer or builder and live in a different state you can go to the same table and see what your valuation are per square foot. These are reasonable prices. Commissioner Urie I realize we want to be reasonable but why don't we go higher than that. Mr. Dunn I would rather be consistent and take small bites over the years instead a large bite in other years. My goal is next year to increase this by 4% across the board.

No public present to testify.

Commissioner Urie motioned to approve Resolution 2008-6 adopting building permit valuations. Second Commissioner Kramer. Motion passed.

RESOLUTION NO. 2008-6

A RESOLUTION ADOPTING BUILDING PERMIT VALUATIONS FOR THE PURPOSE OF SETTING APPROPRIATE BUILDING PERMIT FEES.

WHEREAS, the Board of County Commissioners of Twin Falls County have adopted the latest version of the International Building Code and latest version of the International Residential Code pursuant to Ordinance #202 and

WHEREAS, the latest version of the International Building Code allows for the collection of building permit fees in accordance with the schedule as established by the applicable governing body; and

WHEREAS, the Twin Falls County Commissioners feel it is imperative to adopt a uniform fee structure that reflects the costs associated with enforcing the latest version of the International Building Code and the International Residential Code;

NOW, THEREFORE, BE IT RESOLVED by the Twin Falls County Board of County Commissioners that the following Valuation Table be adopted:

REGULAR MARCH MEETING
March 10, 2008, 8:00 a.m.

The Board of County Commissioners reconvened at 8:00 a.m. in regular session, pursuant to the recess of 7 March. Present: Commissioner Tom Mikesell, Commissioner Terry Kramer, Commissioner George Urie, and Clerk Kristina Glascock. The following proceedings were held to wit:

In the Matter of LAND USE

Commissioners held a rezone hearing on property owned by Hazel Schnell.

Laura Wilson, Planning and Zoning Planner, requesting to rezone 12.5 acres. The existing zone is Agriculture Preservation and she is requesting to change it to commercial. The property itself is currently east of Highway 93. The old highway runs on the west side. There is existing accesses on both sides of that and the Rogerson Gas Station which currently exists abuts a commercial piece of property. The applicant is requesting to have household storage units, boat storage and a possible gas station. It would be modeled after the one south of Hansen. She would like to have overnight

parking to accommodate semi trucks during the night. At the time, there was no specific timeframe for this to occur. There are no water shares with the property right now.

No public present to testify.

Commissioner Kramer motioned to approve the rezone on the Hazel Schnell property at Rogerson for 12.5 acres from Agriculture Preservation to Commercial. Second Commissioner Urie. Motion passed.

In the Matter of JUVENILE

Bev Ashton, Health and Welfare, we are just following up from our previous meeting. John Hathaway, Health and Welfare, we don't have any inpatient treatment here for juvenile substance abuse. Kids are getting shifted to Idaho Falls, Coeur d'Alene or Boise. We are trying to work through this on a subcommittee. I'm hoping some of the stuff is still on the table while we try to work this out. Commissioner Mikesell it is still on the table and we have had one conversation with Walker Center. Kevin Sandau and Judge Ingram have spoken with them about it. We have three inpatient treatments in the Boise area and over in Pocatello and none of them are full even though there are 50 kids on the waiting list. Out of 36 beds we still have 18. My concern is I'm afraid to engage here or engage Walker Center and have it turn around on us again. I don't know what the problem is. We can't seem to find out where the log jam is. Ms. Ashton I asked at the last committee what BPA said is that there are no available beds, they were all taken for substance abuse. There's a meeting on the 28th or 29th which I cannot attend and I would encourage you to attend it. Mr. Hathaway I'm sheepish coming and asking for your help when we can't figure out what is going on. Commissioner Mikesell I think we have the patients out there; however, we need to make sure we have it evolve so it can continue.

In the Matter of CONSENT CALENDAR

Items include: status reports, tax cancellation request by Assessor

Commissioner Urie motioned to approve the status reports for employees as presented. Second Commissioner Mikesell. Motion passed (Kramer absent).

Commissioner Urie motioned to approve the tax cancellations presented. They were assessed as improved property and they were unimproved property. Second Commissioner Mikesell. Discussion. Commissioner Mikesell this is happening all too frequently when 100% of the property should have been reviewed in the last two in a half years on site. Commissioner Urie had this property been actually looked at they would have known. Motion passed (Kramer absent).

In the Matter of ORDINANCE

Commissioners considered an Ordinance for the Dell Smith Rezone.

Commissioner Urie motioned to approve Ordinance Number 203 for the rezone of real property for Dell P. Smith. Second Commissioner Mikesell. Discussion. Commissioner Mikesell this is located on 3700 and in the Twin Falls AOI. It's contiguous to the same zoning on the north and the east. Motion passed (Kramer absent).

ORDINANCE NO.203

AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF TWIN FALLS COUNTY, REZONING REAL PROPERTY BELOW DESCRIBED; PROVIDING THE ZONING CLASSIFICATION THEREFOR; AND ORDERING THE NECESSARY AREA OF IMPACT AND ZONING DISTRICTS MAP AMENDMENT.

WHEREAS, Dell P. Smith has made application for a rezone of property located at 3249 East 3700 North, aka Orchard Drive, Kimberly, Idaho 83341; and,

WHEREAS, the City Planning and Zoning Commission for the City of Twin Falls, Idaho, held a Public Hearing as required by law on the 8th day of January, 2008, to consider the Zoning Designation and necessary Area of Impact and Zoning Districts Map amendment upon a REZONE of the real property below described; and,

In the Matter of CONTRACT

Mark Brunelle, Research and Development, with the DEQ contract the only question legal had on the contract was the drilling of wells. Two of the existing wells were taken out during the road expansion on Washington Street so we need to redo those to determine the contamination level. Where we burned the building down, we need to test the soil in the area. After that, they will develop a plan for us to determine what we need to do. They are asking us for access to the site and they want a year to complete it.

Commissioner Kramer motioned to approve the DEQ contract for the Superquik property. Second Commissioner Urie. Motion passed.

In the Matter of GRANT

Commissioners considered two grants for Murtaugh Lake playground equipment.

Mark Brunelle, Research and Development, we're at the initial stages of fundraising for playground equipment. One is through St. Luke's Foundation and the other is from CH2M Hill to see if they will assist us with that. Both entities have provided playgrounds in the past. We have about \$34,000 we want to raise to get this thing off the ground.

Commissioner Kramer motioned to approve the two grants one to St. Luke's Community Health Improvement Fund and the other one to CH2M Hill OMI for playground equipment at Murtaugh Lake. Second Commissioner Urie. Motion passed.

In the Matter of CONSENT CALENDAR
Items include: status reports

Commissioner Kramer motioned to approve status sheet for Housekeeping. Second Commissioner Urie. Motion passed.

In the Matter of AIRPORT

Bill Carbury, Airport Manager, we've been meaning to come in and talk about the air show. We're here to go over the budget, organizational structure, and answer any questions about the air show. The history of the show it has been at the airport since 1996. We are now perched to get involved with the biggest show we have ever had with the Blue Angels coming in.

Phil the budget is based on having the Blues. It will cost us \$150 to \$200,000 just to have them come. We have to furnish them with 35 vehicles, hotel rooms, they buy their own gas, we have to buy smoke oil for the performance which is 30 55 gallon drums which is \$14,000. It costs roughly \$100,000 to \$150,000 for them to perform. We have to pay \$6,000 per day to the US Treasury to have them come. I've talked to areas around us and if they have the Blues the numbers are more. I've had calls from Las Vegas, Portland and the Boise Valley already wanting tickets. We're estimating 40,000 people to be conservative. Number 7 will arrive on Tuesday and the rest will come in on Wednesday. On Thursday they will go practice to orient themselves with the area and find landmarks and on Friday is their practice which is two hours which is Make a Wish day and perform on Saturday and Sunday.

Lee Heider, Twin Falls City Council, we will have several static displays. It'll be a full day with shows, vendors, which will augment the income for the air show. It's going to be a big deal as far as traffic. Parking is a real concern but those are being handled and planned for. We have the

cooperation of the speedway as far as parking and ticketing help.

Commissioner Urie our liability for the expenses if it doesn't come out and we haven't been asked if we are willing to do that or not. Do we have a date for sponsor commitments and are we committed to this already. Phil right now we have \$75,000 committed when the contracts go out. Right now it is verbal. Pepsi is on, Rob Green, First Federal, Air St. Luke's, Cains, Idaho Home Health and Hospice, Idaho Power, Jayco, Leonard Petroleum, OMI, Montana Express, Parks Jared Clinger, Ware and Associates, Redeisel Engineering, Ron Boyd, Rudy's, Stephens Pierce Starley Leavitt, Starr Corp, Reeder Flying Service, and Visual Motion. Commissioner Mikesell my concern is we don't have the money budgeted if it's a bad weather day. Mr. Carbury the Speedway will be the RV base and host an RV park for that week.

Commissioner Urie what is the contract with him and city says is it for racing only. Mr. Carbury he may need written authorization if he is going to hold anything else. Commissioner Urie we're committed to this right, the Blue Angels. That's a done deal. Phil yes. Commissioner Urie do you have a date on the sponsor money for collection. Phil that'll be the middle of April. Commissioner Mikesell until I see a confirmed commitment that this will not be a cash loss to Twin Falls County I cannot support this. We don't have it budgeted. As our contract reads now if you have a loss we are responsible for it. I think the air show is a great thing but we need to guarantee public dollars won't be used. It's difficult for me to say we can spend \$15,000 for hotels. We don't have it budgeted. I have grave concerns about being affiliated with this until we have more commitment. If you only have \$75,000 worth of sponsors, and two rainy days we will have expenses. Phil we take out a weather policy every year. Commissioner Mikesell I need to see that. Commissioner Kramer the costs concerns me. An air show for \$30,000 and an air show for \$300,000 are two different things. Commissioner Mikesell we're part of a contract we don't know anything about it but our names on it. Mr. Carbury we craft the contracts to be in the driver's seat with the agreements between the City and County. Commissioner Mikesell I've been here for five years and this is the first time I'm aware of the County being involved with the air show. I don't know if you have gone in the past to one Commissioner but that is our problem and it won't happen again. Commissioner Urie just a consideration so far we've got the one contract that came over and we have our process through legal if we can streamline our process and turn our obligations over to the City to do all the contracts will that be okay? Mr. Carbury I'll inquire. Commissioner Mikesell we have made a firm commitment to look much more closely at contracts than we have in the past. It's our fiduciary process to look at those and it will be reviewed by legal and has nothing to do with our relationship with the City. The contract you presented to us two weeks ago I've asked for from the City for two years and thank you but there are stipulations in the contract that are not being adhered to. We are going to take this responsibility seriously and adhere to the provisions of the contract. We want to be very much aware of what is going on and to be apart of it. We have grave concerns about the financial cost to the County and we have no assurances in writing. I personally need more assurances this is going to be successful. Commissioner Urie what is the feel for the City Council? Mr. Heider Bill and Phil are going to come tonight to the City Council so we'll know then. Something you might want to look at is any permits or anything that are considered County out there that need to be applied for. We're not going to charge fees, but for alcohol sales and crowd gatherings. Commissioner Mikesell we do have a crowd gathering ordinance in the County where you have to have a permit to gather more than 200 people which has never been done in the past.

Mr. Heider how do you feel about serving alcohol? Commissioner Kramer the speedway and restaurant can sell alcohol so I can't imagine it being a problem. The committee is going to have to make a decision about wristbands or a beer garden area. There are options. I don't think that random sale of alcohol is a good idea. Mr. Carbury the air space will be closed during the air show and it only displaces one afternoon flight and we've sent notice to the airline and they will work with us. Commissioner Urie if we had that insurance already in place and if we had some of that what would be the timeframe it would be in place to give us reassurance so we can move ahead. Mr. Carbury I think we can get a quote on that. It's something they would insure.

Commissioner Urie I think at this point let's see what the City has to say and what their feelings are. Commissioner Mikesell we need a firm date that if things aren't ready we can cancel it. Mr. Heider we need to get involved in pre sold tickets, sponsorship insurance and sponsors. Mr. Carbury online sales and phone sales won't start until May.

Commissioner Urie I would like to compliment Phil and Bill about all the work you've done. I'm impressed with the organizational chart and hearing about all the things you've done.

In the Matter of INDIGENT

Commissioners met to reconsider case number 94053. Commissioner Mikesell stated the client received a settlement of \$250,000 constituting a material change in their financial ability to repay. They have not made payment in full at this time. The client has not met his obligation to the County and the County is reassessing this based on the material change. Since case law states that County Commissioners are given wide latitude to determine the recipient's reimbursement rate, the County Commissioners can up the rate, or if a determination is made that the client can pay the whole thing off, demand full payment.

Commissioner Mikesell motioned to demand payment in full from the client. Second Commissioner Kramer. Motion passed (Urie absent).

In the Matter of BUDGET

Sheriff Wayne Tousley met with the Commissioners regarding fiscal year 2008 budget status. I sent up a letter asking for a hearing back in January. We didn't have discussion at that point and Commissioner Kramer stated let's set a date and today's the day.

Salaries are budgeted to a "T" on the A side. The \$55,000 that was taken from my budget it could be a problem, but we may have some salary savings. We just need to make sure we look at that. On the B budget it will be touch and go. The first line item to talk about is fuel and maintenance. We budgeted \$170,000. This is utilized for fuel, oil changes and maintenance. We have spent \$82,604 for fuel, \$67,000 for other maintenance items and oil changes which basically we are looking at \$20,000 left in that line item and we haven't gotten into the busy time of year yet. During the budgeting and shifting that within there was money put into this line item last year, this is getting down to an area that will be critical pretty soon. The next item is the rollover from last year's budget to this year's budget. My calculation showed we rolled \$65,000 from last year to this year which basically hampered certain areas that we spend in. When I talk about that issue we have four new deputies on the patrol side and four new on the jail side. We've had a difficult time getting equipment for these deputies. The bigger picture is we were minus \$65,000 from this budget. It's difficult. I'm letting you know the B budget is going to be very hard to meet when we are trying to equip eight new deputies for the Sheriff's Office.

We have a security issue with the Driver's License in Buhl. To upgrade it should be less than \$10,000 for what we need to do. This is something I was unaware of. It didn't come to my attention until ITD tightened their security. What we have is an office that basically you can get in from the top. The alarm is only manned at certain times of the day. The area where they keep the secured documents and license plates has half walls. There are some simple remedies. My recommendation is we put in a motion detector that goes to dispatch. Commissioner Mikesell we will have to discuss this with the City of Buhl. Some of this should be beared by them since it is a service to Buhl.

The next item is my maintenance person and the maintenance of vehicles. He will no longer be able to work on county vehicles in his garage in his neighborhood due to the City's regulations. Right now we have nothing in the budget and we still have cars to be taken care of. He was paid \$25 an hour shop rate for doing cars. Outside it will be about \$50 an hour. Only Autophone and Power Plant do these jobs i.e. push bumpers, the cage, shotgun racks, the modification of the cars when they come new. I will still use him as a coordinate to schedule the cars. Other than that we have no money in the budget this year for that. I will be looking at this for next year. We still have cars to be swapped over.

Based on my calculations, on the 428 side there is only \$18,000 left in overtime. On the patrol side, basically we have expended \$32,000 and we have about \$20,000 left. We are going into spring and summer in which activity picks up.

ORDINANCE NO. 204

AN ORDINANCE OF THE COUNTY OF TWIN FALLS, IDAHO, AMENDING CHAPTER 9 OF TITLE 8 OF THE TWIN FALLS COUNTY CODE, WHICH REVISES THE AREA OF IMPACT AGREEMENT FOR THE CITY OF TWIN FALLS, IDAHO, WITH RESPECT TO THE CITY IMPACT COMMISSION; AND PROVIDING FOR THE EFFECTIVE DATE.

WHEREAS, the County of Twin Falls, Idaho, deems it necessary to protect and promote the public health, safety and community welfare of the City of Twin Falls, and

WHEREAS, the City of Twin Falls, Idaho and Twin Falls County, Idaho have agreed to the manner of administration of the City of Twin Falls, Idaho Area of Impact, and

WHEREAS, a draft of this ordinance was considered by the Twin Falls County Planning and Zoning Commission at a duly noticed public hearing on the 14th day of February, 2008.

WHEREAS, a draft of this ordinance, and the recommendation of the Twin Falls County Planning and Zoning Commission was considered by the Twin Falls Board of County Commissioners at a duly noticed public hearing on the 31st day of March, 2008.

NOW, THEREFORE BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS FOR TWIN FALLS COUNTY, IDAHO:

Twin Falls County Code Title 8 Chapter 9 Section 19 B. 4 Twin Falls Idaho is hereby amended as follows:

8-9-19 B. 4. Administration:

- c. The board of commissioners of Twin Falls County hereby appoints the Twin Falls city planning and zoning commission as the area of city impact commission to administer the area of city impact. The city of Twin Falls accepts the appointment. Two (2) of the area of city impact commission members shall serve as representatives of the area of impact. The two (2) area of impact members, ~~as well as an area of impact alternate~~, shall be appointed by the county commissioners with the concurrence of the Twin Falls city council. The two (2) area of impact members ~~and the area of impact alternate~~ so appointed shall serve a term of three (3) years and may succeed themselves for one full term. A county appointee appointed to fill a vacated but unexpired term shall serve the balance of the term of three (3) years. Members appointed by the county commissioners shall be residents within the area of impact, residing outside the city limits, and shall vote on all issues coming before the commission. ~~The area of impact alternate shall attend all meetings of the commission, including both regular and special meetings, and shall actively participate in all discussions had on any matter before the commission. The area of impact alternate shall not vote on any matter except as herein provided. The area of impact alternate shall have full voting privileges whenever an area of impact member is absent, unable to act due to conflict of interest, and whenever a vacancy among the area of impact members occurs on the commission for any reason. The area of impact alternate member shall so act, with full voting privileges, until the disability of the area of impact member has been removed.~~
- d. All applications for preliminary plats of subdivisions, vacations, rezones, special use permits and variances shall be submitted to the city and area of city impact planning and zoning commission. All applications for final and conveyance plats of subdivisions, for vacations and for the rezoning of property within the area of city impact shall be submitted to the city council for their recommendation, prior to submission to the board of county commissioners. The board of county commissioners may approve the application as recommended by the city council, deny the application or remand the application to the City ~~planning and zoning commission~~ for further proceedings.

Severability:

The ordinance is hereby declared to be severable. Should a court of competent jurisdiction declare any portion of this ordinance invalid, the remaining provisions shall continue in full force and effect and shall be read to carry out the purpose(s) of the ordinance before the declaration of partial invalidity.

Effective Date:

This ordinance shall be effective upon passage and publication as provided by law.

Approved by the Board of County Commissioners of Twin Falls County, Idaho, on this 31 day of March, 2008.

In the Matter of ORDINANCE

Commissioners held a public hearing to consider changes to Twin Falls County Code Title 8, Chapter 6, Article D.

Rick Dunn, Planning and Zoning Administrator, this is dealing with the townsite of Rogerson. In order to make it come closer in compliance with any kind of rule we have had to adjust property lines and right of ways and taking alleys to make them easements to allow folks to have larger lots to keep their property where it belongs. Commissioner Urie have the lot line adjustments been made? Mr. Dunn they have been made on paper but our attorney is working with the Highway Department to get it down.

No public present.

Commissioner Urie motioned to approve Ordinance Number 205 dealing with existing townsites lot size adjustments. Second Commissioner Kramer. Discussion. Commissioner Urie if I was a

developer then I would hunt up an old townsite and take advantage of that? Mr. Dunn you could, but a lot of them have been vacated. In theory you would find one. Motion passed.

ORDINANCE NO. 205

AN ORDINANCE AMENDING TWIN FALLS COUNTY CODE TITLE 8 CHAPTER 6 ARTICLE D. TO ESTABLISH MINIMUM LOT SIZE REQUIREMENTS FOR RESIDENTIAL USE ON NON CONFORMING LOTS IN EXISTING TOWN SITE PLATS, PROVIDING FOR SEVERABILITY AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Board of County Commissioners of Twin Falls County, Idaho, deems it necessary to protect and promote the public health, safety and community welfare of Twin Falls County; and

WHEREAS, the Board of County Commissioners of Twin Falls County, Idaho, anticipates the need to establish minimum lot sizes for structures and providing for non-conforming lots in Existing Town Site Plats; and

WHEREAS, a draft of this ordinance was considered by the Twin Falls County Planning and Zoning Commission at a duly noticed public hearing on the 14th day of February, 2008; and

WHEREAS, a draft of this ordinance, and the recommendation of the Twin Falls County Planning and Zoning Commission was considered by the Twin Falls Board of County Commissioners at a duly noticed public hearing on the 31st day of March, 2008; and

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF TWIN FALLS COUNTY, IDAHO:

The Board of County Commissioners of Twin Falls County, Idaho hereby adopts the following amendment to Twin Falls County Code Title 8 Chapter 6 as Article D. 9 Existing Town Site Plats:

8-6D-9: Purpose:

The purpose for this section is to provide minimum lot size in existing Town Site Plats for the purpose of development serviced by a public water system and/or waste treatment system, to address existing non-conforming lots, to safeguard life or limb, health, property and public welfare. This section only applies to existing Town Site Plats.

8-6D-9: A. Minimum Lot Area:

Minimum lot area shall be twelve thousand five hundred (12,500) square feet when serviced by a public water system and nine thousand (9,000) square feet when serviced by a public water system and a waste water system. A public water system is defined in IDAPA 58.01.08 as a water system that supplies water to at least twenty five (25) people or has at least fifteen (15) service connections.

8-6D-9: B. Lot Frontage:

In all cases, the minimum lot width shall not be less than one hundred feet.

8-6D-9: C. Lot Depth:

In all cases, the minimum lot depth shall not be less than one hundred feet.

8-6D-9: D. Yard Requirements:

3. Front: A minimum yard depth of thirty (30) feet shall be maintained for all structures.
4. Side: A minimum side yard depth of seven (7) feet for the main structure located on an interior lot shall be maintained. The side street yard of all structures located on a double frontage lot shall not be less than twenty (20) feet.
5. Rear: A minimum yard depth of thirty (30) feet for the main structure and accessory use structures located less than six (6) feet from the main structure shall be maintained.
6. Accessory use structures on single frontage lots shall have a minimum side and rear yard depth of seven (7) feet. The side street yard of all structures located on a double frontage lots shall not be less than twenty (20) feet.

8-6D-9: E. Accessory Use Structures:

Accessory use structures may be constructed in the rear yard area provided that the area of such structures combined with the area of the main structure shall not occupy more than thirty-five (35) percent of the total lot area or infringe upon the sanitary sewer system including the replacement drain field area.

8-6D-9: F. Non-Conforming Lots:

Any existing lot upon which a legally existing structure is located may continue to be occupied and used in accordance with Twin Falls County Code Title 8 Chapter 9: Non-Conforming Use. When a legally existing non-conforming structure is replaced, remodeled or repaired, equaling fifty (50) percent or more of its assessed value, it shall be brought into compliance with the provisions of this chapter and shall not encroach upon road and/or utility easements, shall conform to the setback requirements of this section.

8-6D-9: G. Severability:

The ordinance is hereby declared to be severable. Should a court of competent jurisdiction declare any portion of this ordinance invalid, the remaining provisions shall continue in full force and effect and shall be read to carry out the purpose(s) of the ordinance before the declaration of partial invalidity.

8-6D-9: H. Effective Date: This ordinance shall be effective upon passage and publication as provided by law.

In the Matter of CONTRACT

Commissioners considered a contract with Land Title and Escrow for use of online files.

Clerk Kristina Glascock you have the original contract. Its one we have been doing with the title companies to allow them access through the internet to access tax information and recorded information. They pay \$200 a month and a setup fee. This is a new company. This is our third title company so far.

Commissioner Urie motioned to approve the contract with Land Title and Escrow for access to County records. Second Commissioner Kramer. Motion passed.

In the Matter of JUVENILE

Commissioners considered a Memorandum of Understanding with the Idaho Department of Health and Welfare for a visitation house.

Commissioner Kramer motioned to approve Memorandum of Understanding with Department of Health and Welfare for 152 6th Avenue North. Second Commissioner Urie. Discussion. Commissioner Urie this will be the old Status Offenders Building that Health and Welfare wants to use for a visitation house that they will pay us rent on. Motion passed.

In the Matter of CONTRACT

Commissioners considered a contract with Stucco Dynamics for repair of the Juvenile Detention Center.

Commissioner Urie motioned to approve the contract with Stucco Dynamics as long as they provide proof of insurance. Second Commissioner Kramer. Motion passed.

In the Matter of WEED

Kali VanLeeuwen, Weed Control Superintendent, if we are going to do Bell Rapids and do it right I proposed we get some equipment up there and do some contract work in the canyon lands. Fuel will eat us alive going back and forth because we have to haul water up there. It's about 140 miles round trip. I would almost need to put at least one person up there and I don't like to send anyone out there by themselves because you never know what will happen. I think two seasonals would need to go up three days per week because there is a lot of land to cover. We have four wheelers but you can't cover it all. My request is for \$90,000 to treat this land.

Commissioner Mikesell I have a problem with that. The landowners received \$22 million for the land and they can help pay for this. We need to do this cooperatively. I don't think its our responsibility to take care of their property when they were bailed out for water. If you take the \$1.5 million we got from the State for tax replacement your portion is less than \$10,000. I don't mind spending some of that money but it was tax replacement money. There is personal responsibility up there and if they chose not to help then we need to charge then for it as we can under Code.

Ms. VanLeeuwen I agree with you they need to help pay for it.

Commissioner Kramer I think we need to get a piece of a equipment to go out there. We have now incorporated that with the CWMA. We agreed with the Governor we would do noxious weed control up there. The product would be covered with the CWMA but the only thing not covered would be the equipment and labor. We need to use a six wheeled vehicle.

Ms. VanLeeuwen I did check on those. They run from 9 to 12,000. When we talked with Floyd Lilly we figured \$2,000 for a 60 gallon tank. Commissioner Kramer I think we're obligated to do something to show we complied with what we need to do. Commissioner Mikesell the Governor's is one time money and I don't mind spending some money on equipment but we need to see if the property owners will help.

Ms. VanLeeuwen the CWMA is set up to have them help. We won't do it for them.

Commissioner Kramer motioned to give the Weed Bureau \$15,000 of the Governor's money for capital improvements. Second Commissioner Urie. Motion passed.

In the Matter of TAXES—BOARD OF EQUALIZATION

Commissioner Urie motioned to close the Board of County Commissioners and open as a Board of Equalization. Second Commissioner Kramer. Motion passed.

Commissioner Urie motioned to approve the applications of exemptions from the churches as presented. Second Commissioner Kramer. Discussion. Commissioner Urie we've reviewed these properties and determined they are church operated properties. Motion passed.

Commissioner Kramer motioned to approve the balance of the exemptions except for Twin Falls Rifle and Pistol Club. Second Commissioner Urie. Motion passed.

Commissioner Kramer motioned to leave BOE and go back to general session. Second Commissioner Urie. Motion passed.

In the Matter of MEETING

Commissioners met with Jim Fields, Office on Aging, regarding Senior Citizen Center funding.

In the Matter of MEETING

Commissioner Mikesell met with Harv Forsgren, Region IV Forester.

In the Matter of ALCOHOL LICENSES

Bottled or canned beer to be consumed on the premises and retail wine licenses were issued to Mimi's Flowers and Gifts.

In the Matter of HUMAN RESOURCES

Commissioners approved the seasonal appointment of Hilarie Smith, Weed and Pest Control, at \$10.50 per hour.

In the Matter of HUMAN RESOURCES

Commissioners approved the seasonal appointment of Katie Larsen, Pest Control Secretary, at \$11.00 per hour.

In the Matter of HUMAN RESOURCES

Commissioners approved a pay increase for Ruth Simmons, Transcriptionist, Sheriff's Office, at \$12.00 per hour.

In the Matter of TAXES-BOARD OF EQUALIZATION
