Grant Loeb, Prosecutor advised the Commissioners on the process that should have been followed for this request. The request should have come through the attorneys or Bob Fort and through the court, which would have gone through the Attorney General's office since they prosecuted the crime. The County has no authority to make a decision and is the wrong place to petition. It is not in the County's power to forgive the debt.

PRESENT: Commissioner George Urie, Commissioner Leon Mills and Commissioner Terry Kramer.

The following proceedings were held to wit:

In the Matter of MEETING.

Commissioners met with Shadow Seamons, Jim Condor and Ladonna Andrews to discuss the Williams Motocross track.

Shadow Seamons, representative for neighbors around the Williams Race Track, spoke with the Commissioners, gave a detailed list of the documented history of violations, citations and court proceedings and requested an update on the progress of the enforcement and/or prosecution of the violations that continue to happen through the operation of the track. Commissioner Urie asked if there was a process for a private track. Bill Crafton, Planning and Zoning, noted that there was no oversight over personal use. Mr. Seamons noted this was a commercial use and was a very large structure in violation and was concerned for future enforcement of county violations. Commissioner Mills asked if Mr. Williams had been notified of this meeting. Per Mr. Seamons, Mr. Williams was not notified. Mr. Condor noted that a certified letter requesting they discontinue the service but was not notified of the meeting today. Mr. Seamons noted that the issue was with the County Commission, P&Z and the Prosecutor for failure to

deal with a violation of the zoning code. Mr. Seamons wants the track removed. Mr. Condor also noted that the issue could encroach on right to farm issues. Jennifer Gose, Civil Prosecutor, noted that her office is working on the complaint at this time. Commissioner Urie noted that the Commission has no further power once it has been turned over to the Prosecutor, which operates independently from the County Commissioners. Commissioner Kramer the County Prosecutor is the person that must make the decision on the best way to proceed. He has attempted to mitigate the issue which was obviously unsatisfactory to you, but the way the separation of powers is, we do not have oversight over the Prosecutor. Mr. Condor noted that the County Commissioners have oversight over the Prosecutor. Jennifer Gose advised Mr. Condor that argument was incorrect. Mr. Seamons presented a video showing the noise that the neighbors endure from the use of the track.
