In the Matter of ZONING

Commissioners conducted a reconsideration hearing for Agency's Findings of Fact and Conclusions of Law and Decision for Roger Duffin's appeal of the P&Z Administrator's decision.

Commissioner Urie opened the hearing at 11:00 a.m.

Present, Roger Duffin, Appellant and Gary Slette, Attorney for Appellant, Rick Dunn P&Z Administrator and Jennifer Bergin, Attorney for County.

Mr. Slette addressed his concerns and reasons for request for reconsideration. Mr. Slette reviewed how the reconsideration request came about. Mr. Slette noted there was a case in Ada County that was very similar to this case where Judge May sided with the appellant and awarded attorney fees. Mr. Slette stated that he would be appealing to the court if the board does not reverse their decision. Mr. Slette noted that his client has reaffirmed his position that this structure will not be used as a second residence and offered for the P&Z department to do an inspection in the future. Mr. Slette stated that the storage area is not designated as a sleeping area and will not be in the future. Mr. Slette reviewed the Commissioners findings and addressed each point. Mr. Slette offered to have his client sign an agreement that if the structure were to be used as a second residence they would need to reapply to the Zoning Department for the proper permits. Commissioner Urie questioned Rick Dunn, P&Z Administrator if the structure and plans as is, is it a legal structure that can be approved. Rick Dunn noted the structure would still be considered a dwelling as code refers to a place for sleeping. It does not have to be designated specifically in the plan. Mr. Slette referred the Board to the County Code that specifically states "permanent provisions for living eating cooking sleeping and sanitation". Mr. Slette disputed that Mr. Havens did not advise appellant to get rid of the storage area if that was the problem. Mr. Slette noted that the Board has to look at the law, and not give deference to the County Department. Jennifer Bergin, Attorney reviewed the case out of Ada County. Ms. Bergin reviewed the Administrator's position that the property does have permanent provisions as described in code. Ms. Bergin also reviewed the written offer that was presented by Mr. Slette. Commissioner Urie asked to clarify the rules; can they take into consideration new information? Ms. Bergin reviewed the rules and noted new information can be taken into consideration. Commissioner Kramer noted that he did not see the 2010 permit, only the 2011 and his objection was that the 2011 permit did not state the same information as the 2010 which was his concern regarding the Health Department. Commissioner Kramer questioned the code rules if a shop has a kitchen and bathroom with a storage room of some kind. Rick Dunn reviewed the code and gave an example. Mr. Slette noted that Mr. Dunn supported his position with the example just given.

Commissioner Urie closed the hearing at 11:30 a.m.

Commissioner Mills made a MOTION to take the information under consideration and issue a decision within ten business days. Commissioner Kramer SECONDED. Discussion Commissioner Urie this should give us time to review the information presented. Motion Passed Unanimously.
