

PREA Investigations

1. Duty to Investigate
 - a. The Snake River Juvenile Detention Center investigates all allegations of sexual abuse, including those that are:
 - third-party reports
 - anonymous reports
 - b. All investigations are carried through to completion regardless:
 - of whether the alleged abuser or victim remains at the facility or has been transferred to another facility
 - of whether the source of the allegation recants his or her allegation
 - c. Investigations into allegations of sexual abuse are:
 - prompt and thorough
 - objective
 - conducted by investigators who are working toward or have received special training in sexual abuse involving young victims
 - d. When outside agencies investigate sexual abuse:
 - the facility Administrator will keep abreast of the investigation
 - the facility Administrator will cooperate with outside investigators
 - Twin Falls Police Department is responsible for investigating all sexual abuse allegations at SRJDC
