In the Matter of CONSENT AGENDA

No items to consider.

In the Matter of ZONING

Commissioners issued a decision on the Recreational Overlay Rezone Application by Barrett McClure.

Commissioner Kramer made a MOTION to approve the Recreational Overlay Rezone Application as applied for by Barrett McClure. Commissioner Mills SECONDED. Discussion Commissioner Mills I don't believe this is in harmony with the neighbors and there are so many

things that are lacking. Commissioner Urie we have taken all the information received and using Idaho code and County code and applying them along with our comp plan I don't feel it fits the use that is asked for. Commissioner Mills it doesn't change anything to change the zone. Commissioner Kramer I think it is not in the comprehensive plan to change the area zoning and does not fit the recreational overlay that is along the river. This property is above it in the Ag zone and access to it is in the Ag zone and I don't think it is in the interest of the Ag Zone and the neighboring community. There was significant testimony against it. I think those are reasons to vote against it. Commissioner Urie at the last hearing the applicant asked for a conditional rezone so we are not going to consider that at this time. Commissioner Mills as property owners you have a reasonable expectation to peace and tranquility and this does not support that. Motion Failed Unanimously.

Discussion Commissioner Kramer there is no new contract requested and we have to balance the access for the public and the commercial use. We need to let it run another year and see how it works with the existing contract. Commissioner Mills I agree. Commissioner Urie this is more an advancement of commercialism in the park and we have to balance that with the original park use when the property was donated to the County. I think right now we should continue on as it is. It was a very successful season but to expand it at this time; I don't know. Motion Passed Unanimously.
